### SAM SHEPARD: Suicide in B Flat

**BRATISLAVA – May 2, 2018:** The Academy of Performing Arts will welcome on its ground, after a long time a detective sotry by author Sam Shepard: Suicide in B Flat. Sam Shepard is American playwright, has written dozens of plays, went through different changes of his style, from early experimental plays to realistic family dramas.

Suicide in B Flat is a detective play that is misleading or even confusing, does not give us exact answers, is full of exciting scenes, unsolved mysteries, incomprehensible clues. In addition, despite its complexity, this game offers many important themes – manipulation, denial of the truth, prejudice and paranoia.

In the game you will see third year bachelor students and first year bachelor students.
