### Žart by Milan Kundera for the first time in Slovakia!

Theater Lab will introduce another premiere in season 2018/2019, when students of the bachelor year of Theater Faculty of Academy of Performing Arts will perform a play on the motives of Milan Kundera's novel: Žart.

The play based on the novel by Milan Kundera takes us to post-war period in the former Czechoslovakia, in which the ideas of better society and „brighter tomorrows“ turned into totalitarian machinery that usurped right to decide on human lives for 40 years. The play is a story of Ludvík Jahn, to whom his unhappily sent postcard with ironic text will change his life beyond recognition. His dreams and ideals are gradually falling apart, he is experiencing disappointment of unrequited love and finds out totalitarianism is not a joke. His upright anger and the desire to avenge the world are the way to hell...

Come and see the dramatization of the novel Žart for the first time on December 17, 2018 at 7pm in Studio Burkovňa!
